

Notification of Purchase of New Land for Factories

In order to fortify future production capacity of FANUC's main products such as CNC's, servo motors and servo amplifiers, we have reached an agreement with the government of Tochigi Prefecture for the acquisition of industrial land in Tochigi.

Summary:

1. Location : Mibu-Hanyuda Industrial Park, Mibu-machi, Shimotsuga-gun, Tochigi Prefecture
2. Area : Approximately 69.4 ha
3. Purchased from : Tochigi Prefecture
4. Purchase date : September, 2014 and after in phases.
